National Meeting on Hydrogeology

14th - 16th June 2023

Malta

FIRST ANNOUNCEMENT

The Italian Chapter of the International Association of Hydrogeologists (IAH) is pleased to invite you to the 6th Edition of FLOWPATH, the National Meeting on Hydrogeology. Following the tradition of the previous editions of FLOWPATH, the conference will be an opportunity for hydrogeologists and professionals to exchange ideas and discuss different issues on groundwater resources.

CONFERENCE SESSIONS

- Session 1** Policies and Practices to Protect Groundwater (14th June)
- Session 2** Special Session on Hydrogeological Studies on Malta (14th June)
- Session 3** Addressing Emerging Challenges to Groundwater Quality and Quantity (15th June)
- Session 4** Groundwater Dependent Ecosystems (15th June)
- FIELD TRIP** (16th June)

KEY DATES

Opening of registration phase and abstract submission: **15th January 2023**

Deadline for abstract submission: **15th March 2023**

Notification of abstract acceptance: **28th April 2023**

Deadline for registration: **15th April 2023**

VENUE

14th to 16th June 2023

MALTA, Valletta

CONFERENCE OBJECTIVES

The objectives of the conference are:

- To ensure that hydrogeology can play an important role in supporting the development of groundwater management and protection policies;
- To strengthen knowledge and research initiatives on emerging challenges to the groundwater environment;
- To update all the stakeholders, researchers and professionals on recent challenges in the hydrogeological sciences;
- To encourage researchers, professionals and administrators to contribute to the improvement of a sustainable water resources management; and...
- To highlight research initiatives undertaken in the Maltese islands, and improve technical cooperation between Maltese and Italian hydrogeologists.
